THE CEREMONY

As the sun sinks below the horizon, exchange your vows while gazing at the ocean's horizonless edges. The flowers scattered on the sand, the dim light of the lights lit all around, and the wind blowing through the hair, complemented by the background sound of the traditional Maldivian Bodu Beru drums, will make this moment so magical.

Every aspect of this day is meticulously planned, from the symbolic ceremony to the menu, the ambience to the table setting.
